

Uncommon information. Extraordinary places. Exceptional service.

# UDB-NEWS Newswires from Russia now online

Searching for specific information on the Internet can be a timeconsuming process, especially when your search results give you thousands of hits, mostly for irrelevant information. With the **Universal Database of Russia/NIS Newswires**, you have an advantage of searching the most authoritative Russian and other newswires from the former Soviet Union, giving you more efficient use your research time.

This database includes several outstanding news agencies covering day-to-day developments in Russia/FSU:

- The Moscow Bureau of *Federal News Service* (Washington, D.C.) produces a daily Kremlin package consisting of the full-text transcripts of top speeches, statements, press conferences, newspaper articles and television reports of the day, from presidential addresses to remarks by Duma opposition leaders, from Foreign Ministry briefings to commentaries by leading economists and other experts.
- *ITAR-TASS*, one of the major world information agencies, delivers a detailed account about the events in Russia and worldwide.
- The Moscow information agency *Oreanda* specializes in economic news and its services are used by the largest Russian banks and corporations as well as by government agencies.
- The daily newswire *AP-Blitz* is produced by the Tajikistan-based information powerhouse Asia-Plus, covering the developments in the volatile region of Central Asia.
- Information on these and other titles may be found at <a href="http://online.eastview.com/titles/index.jsp">http://online.eastview.com/titles/index.jsp</a>
