

UDB-BIB: National Bibliography from the Russian Book Chamber Russia's World of Print

If you subscribe to or use Russian national bibliographic periodicals (often called "letopisi"), you know the challenges of searching different indexes, each with its own set of back issues and volumes, to assemble all relevant citations.

Now you can digitally search the most comprehensive bibliographic product of Russian printed works. In cooperation with the Russian Book Chamber, East View has digitized the Russian national bibliographies going back to 1998 and made them searchable in an online database.

Coverage

For less than the current cost of combined print subscriptions, UDB-BIB allows browsing through the subject classification system to find relevant reference by topic. Search for citations from books, newspapers, journals, dissertation abstracts, musical scores, even maps, with a single keystroke. Effortlessly access over 2,000,000 Russian bibliographic citations in all disciplines from over 21,000 publishers, by year, author, subject, title, or by any keyword:

- ◆ *Knizhnaia letopis'*: Simply the most definitive reference guide available to Russian book publications.
- ◆ *Letopis' gazetnykh statei*: More than 40,000 bibliographic entries on documentary materials, articles, and works of fiction from every major newspaper in Russia.
- ◆ *Letopis' zhurnal'nykh statei*: The complete index to Russian journals.
- ◆ *Letopis' retsenzii*: A profile of book reviews (Russian and foreign) found in the central and regional Russian press.
- ◆ *Kartograficheskaja letopis'*: Bibliographic information for all cartography and maps produced in Russia.
- ◆ *Letopis' avtoreferatov dissertatsii*: Indexes all doctoral and masters dissertation abstracts throughout Russia.
- ◆ *Notnaia letopis'*: A complete general index to Russian music-related publications.
- ◆ *Letopis' izoizdanii*: A bibliographic index of albums, posters and reproductions published either separately or appearing in books, collected works and magazines.
- ◆ *Letopis' periodicheskikh i prodolzhaishchikhsia izdanii*: A comprehensive title-level bibliography of Russian/former Soviet periodicals which describes in detail over 40,000 newspapers, periodicals, bulletins, and continuing publications since 1981.

Languages

Primarily in Russian, with three-levels of the subject classification system translated into English.

Easy-to-use interface

Users will find the subject classification system translated into English in addition to the original Russian, as well as complete transliteration of all Cyrillic text. This allows users to quickly pinpoint Russian bibliographic data by year, author, subject, title, and other categories.

Informative

Ideal for academic and government libraries, corporations, trade associations, and financial service organizations:

- ◆ information professionals
- ◆ researchers following developments in specific fields, such as natural sciences and technical disciplines, where foreign language capabilities are often lacking
- ◆ faculty and students
- ◆ marketing consultants and researchers
- ◆ business advisors

Features for librarians

- ◆ permanent links for library OPACS
- ◆ consortium deals available
- ◆ usage statistics
- ◆ content updates
- ◆ no password needed, IP authentication

Terms

Get access to the most comprehensive bibliographic product of Russian printed works available anywhere, by site license or individual subscription, with hefty discounts for consortia and UDB subscribers.
