UDB-UKR: Universal Database of Online Publications from Ukraine

Exclusively at online.eastview.com, **UDB-UKR, the Universal Database of Ukrainian Publications**. UDB-UKR offers full-text access to notable Ukrainian newspapers and journals in real time. Find new vistas on Ukrainian language newspapers, journals and bibliographic publications for your entire institution.

Coverage

Content from Ukraine's leading periodicals, covering a broad range of political, economic, and cultural affairs, some with archives from 1997. Titles and back issues are added on a regular basis. Topics include:

- Ukraine's progress along the reform path, the view and positions of various political forces;
- Changes in legislation;
- Economic and investment environment
- Ethnic relations;
- Organizational trends in development of the armed forces;
- Newswire reports;
- Ukrainian Book Chamber records, including detailed bibliographic descriptions.

Informative

Intended for academic libraries, government organizations, corporations, trade associations, and financial service firms:

- foreign investors considering Ukrainian opportunities;
- information professionals;
- faculty and students;
- marketing consultants and researchers;
- business advisors.

Easy-to-use interface

Search the entire database, or within individual titles. Features include:

- Full-text format;
- Basic or advanced search and browsing;
- Transliteration and virtual Ukrainian keyboard display;
- English language interface.
